Read John 2:13-25

How does the “temple talk” help you better understand what Jesus is doing here?

Think Over Verses 21-22

- Why would Jesus refer to his own body as a temple?

- What do you think the disciples believed? Specifically, what part of the Old Testament scriptures and Jesus’ words?

Admire

In the Old Testament, the temple brought God’s presence into the everyday. In the Gospels, Jesus brings God’s presence into the everyday. In heaven, God will be in the everyday. How is God brought into the everyday in the meantime? Pause and admire God ability to be present in our everyday lives through his Holy Spirit.
